Chapter 60 Miko's truth

山崎 宗之助

山崎 宗之助

As
a brother
who has a
little sister,
I know
this much.

Brother...

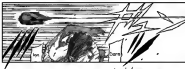

That is the
thought
of an
older
brother...

You have to
make and
lose the
Touhou-ware
make me well!

To
have a
long life...

You are
supposed
to tell
old people...

Her
body!

It's a
machine.

B R A T I I I

To
throw
away
her
body
as
well

For
Anastasia
Mia,
the
leader
of
Steel

You
must
be
good

You
should
not
use
your
strength
in
your
fight
with
Sofia's
last

A world where all
memories are one

Throw
away the
living things

He, who is
borrowing the
power of an
O-Port I am
still an
incomplete
being
It is ahead
of that...

Arts
who
can
only
see
right in
front
of you

This world was
created by
something
A world that is
an information
program

A
world
without
word
or
lies

and...

Water, people
trees and
stars are
all assembly of
information
and memory

The universe...

And it's memory...

For
that

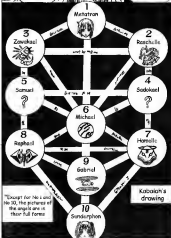

A world where
you can find
reality without
depending
on G-Parts

Humans will
become part
of the
universe,
and learn
its truth

Kabalah
is
needed!!!

In these 4 years, we have gained the majority of the Angels of the Kabbalah.

With this
body that
was made
by O-Ports

Come brots,
I will play
with you for
a hundred
days

If we can find and
strike it, Her body
will fall apart

Probably even
with my sword,
it wouldn't be
possible to
scratch her

The O-Port
she is using
should be
somewhere

The fully
evolved
version!

36
feathers!

Column
of fire

That really
is...

Burn

It's already
be able to
control

**No.1
ANGEL, THE CROWN**

METATRON

As I
thought,
you have
a
corrupted
soul

To go
crazy
over
your
obsession
with
beauty

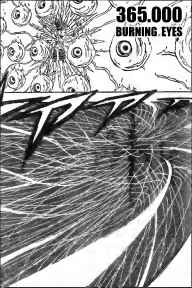

He is
getting
out of
control

a crater
will be
created
inside
of the
crater

If this
continued
rather
than
die and
come
below,

365.000
BURNING EYES

I can't
disintegrate
this light

Beautiful!!!

something
that will
cease to
exist

I see...
As I
thought,
real
beauty is,

We angels
will eventually
become I
within Kabbalah

That road
has been
decided
long ago

Hate and
love
becomes Q,
and
becomes I

When the
reverse and
true Kabbalah
meet

To willingly
enter the
Kabbalah

To go to the
South Pole
where the
normal
Kabbalah is

I won't
become
a fool

I...

Guaarggh

Don't
There
animal
friends
have...

To hide
down
this deep

Do you
think yourself
a princess?

THUMP

O O O O O O O O O

It's disgusting.
The disgusting
hatred!!!

I don't
know any
other
tools
like that

Are
you
talking
about
Cress?

I will
turn
you to
dust
right
away

You
are
a tool
just
like
them.

Then I
can't
use
my
O-Port

Pride
huh

Chro-
mium
Mike's
body!!!

Jia, he
destroyed

...

I
can't
calm
down
